RE: I/M/O Ronald W. Post, P.L.S.  
Complaint No. 79074

### Offer of Settlement In Lieu of Filing a Formal Disciplinary Complaint

Dear Mr. Post:

This letter is to advise you that the New Jersey State Board of Professional Engineers and Land Surveyors (hereinafter the "Board") has had an opportunity to review information concerning your professional conduct in connection with two plans prepared by you for projects located in Lavallette and Point Pleasant, New Jersey.

More specifically, you prepared a "CAFRA General Permit Plan" for each project, which included existing and proposed conditions. You testified that the proposed conditions shown on the Plans were prepared by you, not a New Jersey licensed professional engineer. You also admitted to utilizing an electronic signature on the Plans.

Upon review of all available information, the Board has preliminarily found that probable cause exists to support a finding that you are in violation of:

1. N.J.S.A. 45:8-27 and N.J.S.A. 45:8-28 in that your preparation of the proposed conditions shown on the CAFRA General Permit Plans constitutes the unlicensed practice of engineering; and
2. N.J.S.A. 45:1-21(h) and N.J.A.C. 13:40-8.3(a)(5) in that you admittedly utilized an electronic signature in your title block, which must contain a manually handwritten signature of the person in responsible charge.

As a result of the foregoing, the Board has preliminarily determined that the above violations are sufficient to warrant the initiation of formal proceedings against you. Notwithstanding that decision, the Board has determined that it will first offer you an opportunity to settle this matter in an attempt to avoid the initiation of more formal proceedings if you consent to the following terms:

1. Agree to a formal reprimand upon your signing of the acknowledgment at the bottom of this letter in connection with the above violations;
2. Agree to immediately cease and desists from the unlicensed practice of engineering;
3. Payment of a civil penalty totaling **\$1,000.00** to be paid **immediately** (\$500.00 per violation) upon your signing of the acknowledgment at the bottom of this letter in connection with the above violations; and
4. Payment of investigative costs in the amount of **\$300.00** to be paid **immediately** upon your signing of the acknowledgment at the bottom of this letter.

In making a determination, you should know that pursuant to N.J.S.A. 45:1-25 any person who engages in conduct which is in violation of any provision of the statutes and regulations administered by the Board shall, in addition to any other sanctions provided by statute, be liable for a civil penalty of not more than \$10,000.00 for the first violation and not more than \$20,000.00 for the second and each subsequent violation. However, in an effort to resolve this matter amicably, the Board offers to settle on the terms stated above. If you are willing to resolve this matter on the offered settlement terms, you may do so by signing the acknowledgment at the bottom of this letter and returning it to the Board office within 15 days. In such event, this letter shall be a matter of public record.

In the event you are unwilling to settle this matter on the offered terms, it will be referred to the Attorney General's office for the initiation of formal proceedings. In such event, you will be afforded an opportunity to defend against the alleged violations. You are advised, however, that in the event formal charges are filed, you may be assessed civil penalties in an amount greater than that herein offered in settlement should any charges against you be sustained. Additionally, the Board may, if the facts herein or any additional facts are found to so warrant, enter an order requiring you to reimburse certain monies and/or requiring you to pay costs incurred by the Board. Should you have any questions concerning this letter or the settlement offer herein, I suggest that you contact Deputy Attorney General Michelle Albertson, who may be reached at (973) 648-7297.

If you elect to settle this matter, you should sign the acknowledgment at the bottom of this letter and return it to the Board within fifteen (15) days following your receipt of this letter. In the event that the Board receives no response from you within fifteen (15) days, the Board's settlement offer shall be considered withdrawn and the matter will be referred to the Attorney General's Office for the initiation of formal proceedings.
